

Dr. Amanda Abraham:

Dr. Amanda J. Abraham is an Associate Professor of Public Administration and Policy in the School of Public and International Affairs at the University of Georgia.

Her research focuses on the impact of federal and state policy on the accessibility and quality of substance use disorder (SUD) treatment, with a focus on the Medicaid and Medicare populations.

Dr. Abraham currently serves as principal investigator and co-investigator on numerous federal grants funded by the National Institute on Alcohol Abuse and Alcoholism, National Institute on Drug Abuse, National Center for Advancing Translational Science, and Substance Abuse and Mental Health Services Administration.
